Summary of Holiday Conditions

Please note that this is a summary extract - comprehensive T&C's are on the website or can be by post sent on request

Sun Haven Valley is a family run park for peaceful holidays. The rules are not for our benefit but are to ensure the enjoyment of all our visitors. We regard it as essential that the parks rules are adhered to, particularly in the summer season. • The full conditions for your holiday are posted on our website with the main ones reprinted here. Breaking any of the conditions, disturbing the holidays or comfort of others or behaviour unacceptable to the management will lead to non-refundable removal.

Unless pre-approved by ourselves, parties who do not meet the 'families and couples' requirement will not be allowed access to the park. Please call us if in doubt.

NOISE Noise may **not** be made, including use of TV's, Radios, CD/music players etc, to the annoyance of others. **Strictly SILENCE after 10.30pm**

FAMILIES WITH TEENAGERS Please note well. • We have no club, no bar and no evening entertainment and only a small games room. Please consider this carefully as we may not be a park particularly suited to your teenagers unless they are surfers happy with a beach 10 minutes walk away. • Children under 16 yrs old must be back at their accommodation just after 9.45pm and we have a strict '**SILENCE after 10.30pm**' policy.

FAMILIES WITH CHILDREN Children under 16 yrs old must be back at their accommodation by 9.30pm or accompanied by an adult. • Parents are responsible for their children at all times and must familiarise themselves with the site and signage on arrival. Our playground is suitable for children from 5 to 12 yrs old, but parental supervision is essential. • Roller Blades, wheelies & skate boards, are not allowed on the park for reasons of noise and safety • Bicycles are allowed on park roads when used sensibly, but no cycling is allowed on the grass or around the toilet block & playpark.

DOGS must be kept on a short lead at all times and must be tethered to a ground spike if not being held. They may only be exercised off the site and are **not allowed on the main lawns at any time**. • Children are not permitted to walk dogs around the site. • Fouling must be picked up; excessive noise or aggressive behaviour will not be tolerated and dogs must never be left unattended in either our/your accommodation or vehicle. • **Should the rules be broken we will require that you remove your dog from the site.**

CANCELLATIONS You will be placed in our holiday cancellation scheme (see below) unless you pay in full or you opt out. **IF you opt out** please note that a deposit paid forms a contract and cancellations are not available under ANY circumstances - which means that the 'lead name' will be liable for full payment even if you cancel the holiday. - Otherwise we suggest that you take insurance cover to allow for unforeseen events. • If a booking is not claimed within 24 hrs of the day of arrival we shall have the right to re-use or re-let the pitch/caravan unless we have specifically agreed otherwise.

All signs must be obeyed • **SMOKING** is not allowed in any of the parks buildings or accommodation. • The **speed limit** is 5 m.p.h (walking pace) • Park gates may be closed at midnight and vehicles may not be used from midnight to 7am • The camping pitches & park must be kept tidy. • Sand-covered items (e.g. wetsuits) may only be washed in the surfers shower. • Barbecues must be raised off the grass to avoid damage, please use the stands provided.

WEATHER & FORCE MAJEURE As these conditions are out of our control we do not give refunds for bad weather, force majeure, for the consequences of such events or for other unused time and if you wish them 'covered' we advise you take out holiday insurances. • Sun Haven Valley Ltd is relieved from liability should the accommodation or other facilities be unavailable due to circumstances beyond its control. • We will endeavour to have your accommodation ready for the given "earliest" arrival times but point out that this is also not always possible

FOR STATIC CARAVANS The 'Lead Name' must please check the inventory upon arrival & immediately report any discrepancies or damage. Outgoing visitors should leave accommodation in a clean and tidy order or a charge may be raised. • Bicycles, surf boards, wet suits, boats etc, must not be taken inside or lent against our caravans or chalets. Please bring locks as necessary.

FOR CAMPING Spacing requirements between tents must be met. Chemical toilets and waste buckets must only be emptied at the points clearly marked.

PITCH SIZES FOR WHITSUN, JULY & AUGUST - Whilst they are not prohibited we have restrictions on large tents during the Whitsun & summer season - "large tents" being those which have a 'footprint' bigger than 5m (16ft) in both directions. Most tents with a standard rectangular 'footprint' fit easily on our pitches (pitches are mainly 8m wide or more) but in order to ensure that statutory spacings between tents & caravans are maintained, we give "maximum tent size" of pitches on the website and will help you over the phone , but Tents, Caravans, awnings, gazebos et al. must be all be sited within this 'maximum tent size' area. It is your responsibility to pre-check that the pitch is large enough as you will not be allowed to exceed the dimensions given. Alternative accommodation will not be available and if you do not meet our 'siting requirements' you will be required to leave the park .Outside the main season DOUBLE sized pitches are available free of charge.

HELP US TO HELP YOU - Any fault should be immediately reported, and due diligence shown and applied by all persons in respect of any potential risk however small, during your stay. • The proprietors are not responsible for, and cannot accept liability for, any injury sustained by any person or damage to or loss of clients property. • We reserve the right to enter any accommodation/vehicle on the property as is reasonable in the circumstances. • The information supplied on this form will be stored on computer for the purpose of future distribution to you of our advertising material and under no circumstances will be passed to a third party. For the purposes of the Data Protection Act 1984 the signing of the booking form or payment of money to Sun Haven Valley signifies assent to this.

THE PARK IS NOT OPEN TO THE GENERAL PUBLIC For client and family safety, the accommodation booked can only be occupied and facilities used by the persons entered on the booking form for the dates shown. We reserve the right not to admit any visitors but please see below.

Holiday Cancellation Scheme Your booking forms a contract between yourself & Sun Haven Valley, accepting our terms & conditions. Should you decide to cancel the holiday, or the holiday be cancelled e.g through failure to pay, we regret that you would still be liable for the balance due. To protect you from this, the company provide a Holiday Cancellation Scheme at a fee of £5.00 /pitch/wk, or £10/caravan/wk. You will be included in the scheme unless you either pay in full or opt out in writing at time of booking. Under the scheme Sun Haven will forgo any balance due & refund any monies paid, (excluding the deposit & cancellation fee) provided that we receive written confirmation of cancellation of the holiday at least eight weeks before the start date. After this time & up to the date of arrival, Sun Haven Valley will only refund if cancellation is due to any of the following: - death, serious illness, serious accident, jury service or redundancy to a member of the booked party. Please note that claims must be sent in by recorded delivery, received in time and supported by a confirmable authoritative document. This is NOT insurance it is a variation to our terms, and does not cover any event after arrival nor any cost other than monies due to Sun Haven Valley Ltd. For other liabilities and events you should take out commercial insurance. Please see our website(or request written details) for more details.

Visitors to both Static Caravans & Touring Sites

The park is NOT open to the general public. The accommodation booked can only be occupied and facilities used by the persons entered on the booking form for the dates shown. For client and family safety, 'casual' visitors are not allowed so **all visitors must report to reception** and all tenancy conditions apply.

Pre-booked day visitors are free-of-charge, - please use this form to supply names. Occasional visitors will incur a minimum £2.00 charge/day/car will apply (£5 in high season) to visitors. Overnight visitors to the campsite are chargeable as per the tariff.

Any "2 adults" discount on the caravans may be revoked by the presence of visitors unless pre-booked and any undeclared visitors may lead to termination of your holiday.
